## *School of* **HEALTH SCIENCES**

### **About The Course**

A course in Community Health and Development aims at producing health workers who are capable of addressing community health and developmental issues using a bottom - top approach from the community level. The course also aims at producing graduates who can critically analyze community health problems with a view of suggesting and helping to implement solutions. The program prepares students to effectively plan, develop, implement and evaluate community health programs. Community health professionals work to improve the health and well-being of entire community.

### **Minimum Entry Requirements**

To qualify for a course in Community Health & Development or Nutrition & Dietetics, the minimum entry requirements are:-

- ❖ KCSE mean grade of C- (minus) Direct entry into a diploma program.
- ❖ KCSE mean grade of D+ (plus) entry into certificate program.

### **Career Paths**

This program is designed to prepare graduates for work in:-

- ❖ Hospital Settings
- ❖ National Health Department
- ❖ Health Agencies
- ❖ Family Planning Clinics
- ❖ Mental Health Centers
